

HAZMAT

REMINDERS

- ▲ Take a moment to educate customers about USPS requirements for keeping the mail safe — and their responsibility in doing so
- ▲ For all packages accepted over the counter, ask the HazMat Question and allow the customer to respond
- ▲ Visually inspect all packages for signs or symbols that indicate that the package may contain Hazardous Material
- ▲ Refer to Poster 138, Poster 37 and Publication 52.
- ▲ Always be inquisitive, in a polite manner
- ▲ When in doubt... keep it OUT

DO'S

DO NOT'S

- ▲ Do not assume
- ▲ Do not accept suspicious packages
- ▲ Do not take any chances
